# Pizza Dance

Having a Pizza Dance was one of the Senior's highlights of the year. Karl, Steve, and Richard must have been the supervisors, at least they are sure doing a good job of inspecting.

The pizzas were so good that fourth and fifth helpings were consumed. Right Kenny and Larry? We all wondered if Carolyn would become hoarse from yelling for so many pizzas, or could she be yawning? NO!!

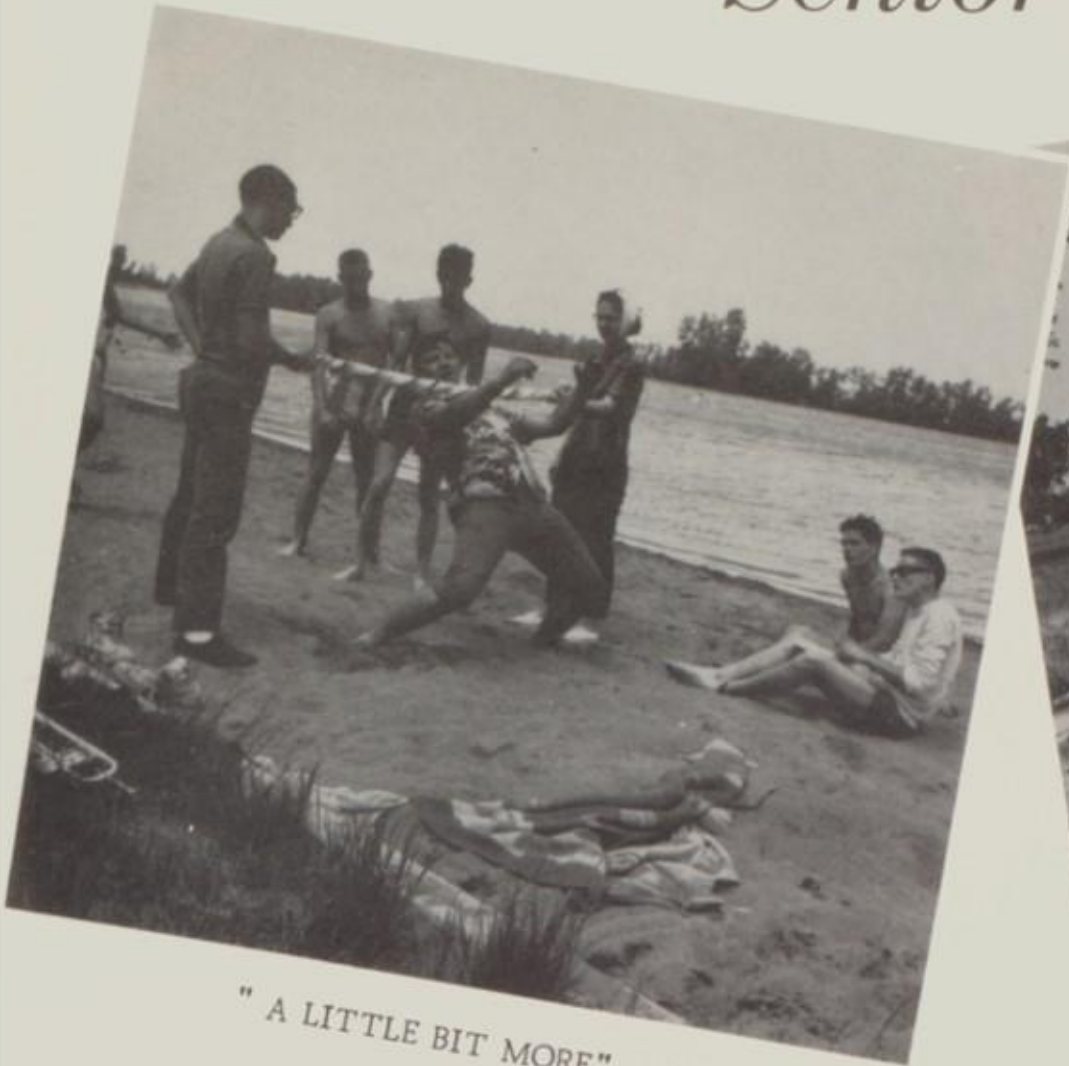

Doing the twist sure creates an enormous appetite and that is just what we wanted. It looked like Darlene and Don would be back for more for they were really twisting up a storm. Bob Welch isn't doing such a bad job of it either.

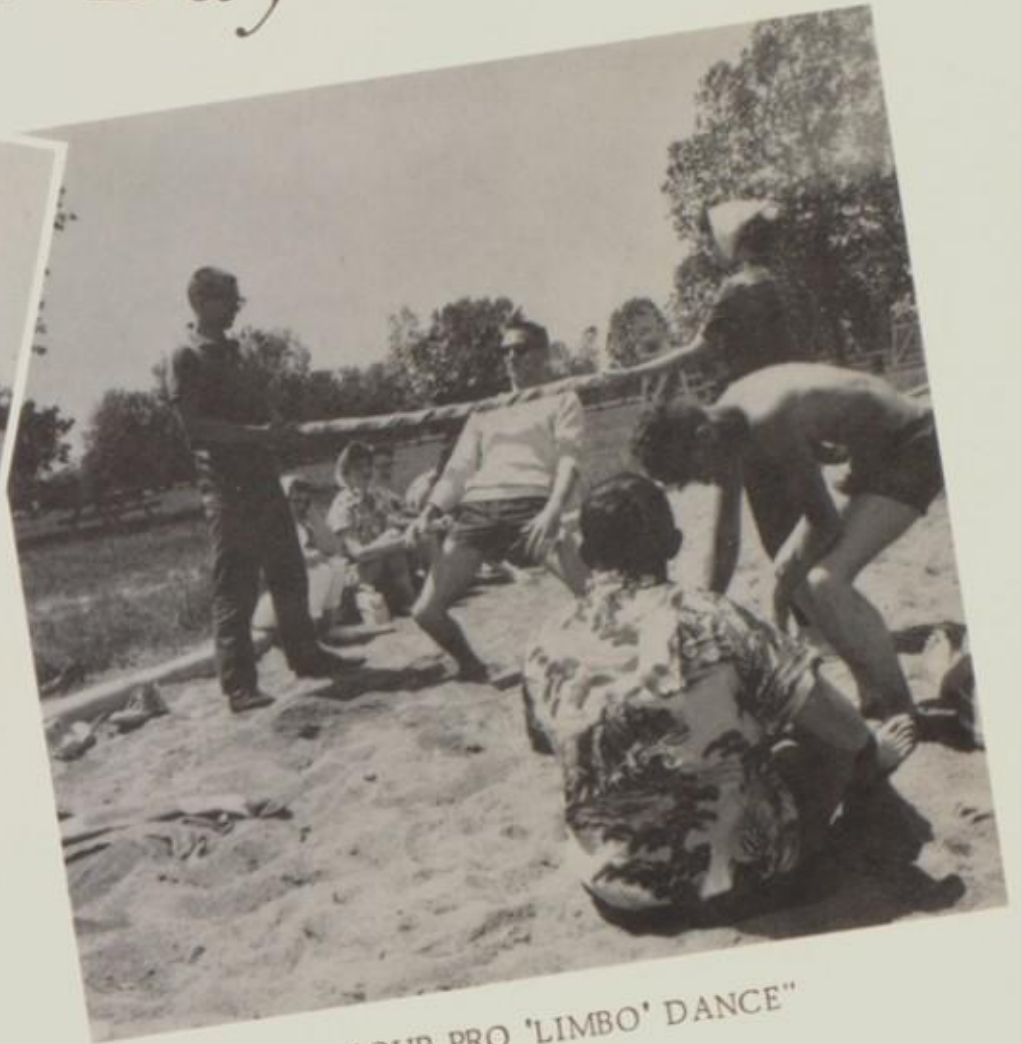

And then the fun begins. Clean up time class. We all worked hard, but Rick was so worried about getting dishpan hands, and it looked like Barbara and Melvin had a little difficulty in forcing the oven door shut. We finally made it and the dance was perfect. Well almost.
